## **NSFA Registration Fee Payment Policy – community players (Revised March 2022)**

### **Purpose**

The purpose of this policy is to standardise the payment of registration fees by members after the commencement of the season.

### **Background**

Member Registration Fees are used by the club to pay:

- Team Fees levied by NSFA
- FFA Levy
- Insurance Levy
- Hire of Grounds
- Equipment purchased and maintained by the club
- General Administration of club

### **Determination of Fees**

Registration fees will be set by the Club's Management Committee, upon recommendation by the Treasurer, after advice from NSFA of Team Fees and other levies for the Season. It is recommended the Treasurer present a budget for the season at this time to enable the Committee to make the appropriate determination.

### **Registration Fees Prior 31 May**

All registering players shall be levied 100 percent of the season registration fee.

### **Registration Fees Levied – June / July**

All registering players shall be levied 75 percent of the season registration fee.

### **Exceptions**

All exceptions to the above schedule shall be pre approved by the Treasurer, plus either the President or Secretary.
