Northbridge FC Registration Fee Refund Policy (Revised 2023)

Purpose

The purpose of this policy is to standardise the refund of registration fees to members before and after commencement of the season.

	Pre-Season Refund before 22 April	Refund prior to 1st May to 31st May	Refund post 31 May
NFSA Players Registration Fees - (1) (2)	100% Refund (less \$50 Admin Fee)	30% Refund	Nil Refund

(1) Player Registration fees (includes insurances, FNSW, FFA, NSFA). These amounts are fixed and levied on the club, if a player isn't deregistered in full (3-way process, player, club and association all need to approve the deregistration before 30 April).

(2) In the event that a player registers for the club, but there is no team suitable for the player to join then the \$50 administration fee will be waived.

Member Registration Fees are used by the club to pay:

- Team Fees levied by NSFA
- FFA Levy
- Insurance Levy
- Hire of Grounds
- Equipment purchased and maintained by the club.
- General Administration of club

Academy Fees

Fees paid on acceptance of a place in the Northbridge FC Academy are non-refundable.

This policy is for the benefit of all trialists and players in the program.

In the situation where we do not have enough players to form a team, any players who have paid will have their fees refunded in full.

Partial refunds will be considered in cases of season-ending injuries, or where a player moves interstate or overseas - providing a suitable replacement joins the team.

Exceptions

All exceptions to the above schedule shall be pre-approved by the Treasurer, plus either the President or Secretary.
